

What you can do:

Voice your opinion on the plan and increased density in Richmond Knobhill

The City of Calgary is sharing the final edition of the Westbrook Local

Area Plan (LAP) which identifies areas of new density and growth.

This includes Richmond Knobhill. This is the document that was reviewed at the Infrastructure and Planning Committee meeting on December 8 and passed with a vote of 10 to 1.

It will go to City Council for approval on January 17, 2023.

At the last Open House, the City shared a map not included in the LAP document but on page 11 of another document buried in the information provided at <https://Calgary.ca/Westbrook/ENGAGE> found under the tab within the section "Increasing Housing Choice".

This map had never been shown before.
